**NOTICE OF MOVE TO ANNEXE**

Dear Sirs & Brethren,

I am happy to advise that the TOP for our Annexe was at last granted yesterday on 17th February 2012. This has helped us to firm up our plans to decant our operations into the Annexe (new building).

Accordingly, the following plan has been set in motion:

1. Sunday, **19th February**: Partial removal of furniture and documents' boxes from the Basement and Temples to the Annexe.
2. Sunday, **26th February**: Move the remaining essentials to the Annexe in order to relocate:
  - All offices to the currently designated Office in the Basement of Annexe.
  - The Temple to the currently designated multipurpose hall on the 2nd floor of Annexe.
  - Clothing room to the currently designated Board Room on the 3rd floor of the Annexe.
  - Changing Room to the Members Changing Room in the Basement of the Annexe.
  - Committee room to the 3rd floor committee room in the Annexe.
  - Dining hall to the 1st floor multipurpose hall in the Annexe.
  - TMC bar to the Gym in the basement floor of Annexe.
  - Dishwashing and food warming facilities temporarily to the Kitchen in the Annexe.

3. The MHBS will formally take possession of the Annexe on **Monday, 27th February 2012** and simultaneously handover the Conserved Building to the Contractors for renovation.

4. The Conserve Building will **not be accessible to the Brethren** after Monday, 27th February 2012 until completion on a date to be advised but which is unlikely to be before end of June 2012.

Please note that all our operations will continue to be conducted from our Conserved Building until **Saturday, 25th February 2012**.

Yours faithfully & fraternally,  
Shiva Banerjee,  
Secretary,  
MHBS
